Project Procurement Leader (w/m/d)

Do you already have experience in project purchasing? Do you enjoy working in an international team? Then we have great news for you!

IMPACT starts with us: We are looking for a project buyer for our Regensburg location. In this role, you will work with various internal and external interfaces and, among other things, take care of supplier management. Sounds interesting? Then here is all the important information for you at a glance:

When and where? From now on in Regensburg

Duration: Unlimited

Vacation: 30 days / year

Weekly hours: 35 hours (5 days a week) according to the IG Metall tariff

Who is looking for your support? Nicolas, Procurement Manager

Your IMPACT:

Select suppliers according to raw material/supplier strategy and purchasing principles. Monitor supplier performance and development. Make your contribution in the areas of innovation, product and project costs, quality, time-to-market, etc. in joint development projects with suppliers. Be responsible for negotiating all purchasing conditions Suppliers Coordinate with other program managers (e.g. marketing and project management teams).

Would you like to get an insight into the work at the location? Then take a look here:

Our range:

A job with a future: With us you can plan your career for the long term and develop according to your own wishes
Innovation: We don't just work with the times - we help shape it
Together into the future: You take responsibility for your area of

responsibility and make an active contribution to energy - and technology transition!
Further development: We promote your further development through regular feedback discussions and training
Work-life balance: Our offers include, among others, subsidies for public transport tickets, Hansefit offers, corporate Benefits or the employee share program

Your profile:

Degree in business or technical field
Several years of professional experience in a project purchasing team in a manufacturing environment
Knowledge in the areas of "mechanical processing technologies" and electromechanics
Negotiation skills, problem-solving skills and a strategic mindset
Very good knowledge of English and German

Curiosity, inclusion, teamwork:

No one is flawless and not all career paths are the same. It is important that we have the will to learn and

develop. Because we know that a career also means first having to find your strengths. Apply now, even if you don't (yet) meet all the requirements. We look forward to getting to know you!

Your next step? Apply online of course!

Please upload your CV including salary expectations.

The contact person for this position is Marc Bernges. If you have any questions about the application process, please contact us via LinkedIn.

Note: Schneider Electric does not accept unsolicited application documents from recruiters. If Schneider Electric considers a candidate whose profile was sent by recruiters without an existing framework agreement, no claims can be asserted against Schneider Electric.
