Operations Manager

Are you an operations professional with a passion for logistics, leadership, and efficiency? Do you thrive in a fast-paced environment and have a track record of optimizing processes to deliver outstanding results? If so, we want you to join our team as our Operations Manager in our state-of-the-art electronics distribution center. What's in It for You? Impact: Play a vital role in ensuring seamless operations at the heart of our distribution network. Growth: Work with a dynamic, forward-thinking company in the high-tech electronics industry. Collaboration: Lead a skilled team, partner with global suppliers, and shape the future of our logistics. Challenge & Reward: Every day is an opportunity to solve complex problems and see tangible results.

What You'll Do: Oversee the day-to-day operations of our distribution center, ensuring efficiency and accuracy in order fulfillment. Lead and inspire a team of warehouse and logistics staff, fostering a culture of collaboration and excellence. Monitor and improve inventory management processes to minimize errors and maximize productivity. Drive operational improvements through KPIs and data analysis to achieve measurable results. Ensure compliance with health, safety, and regulatory standards to maintain a safe working environment. Collaborate with sales, procurement, and customer service teams to align operational capabilities with business goals.

What You'll Bring: Proven experience in operations management, preferably in a distribution or logistics environment. Strong leadership skills with the ability to motivate and develop teams. Expertise in inventory systems, supply chain processes, and warehouse management. Exceptional problem-solving abilities and attention to detail. A results-driven mindset with a focus on efficiency, quality, and customer satisfaction. Knowledge of electronics components

Why Join Us? Be part of a thriving company that plays a key role in the electronics supply chain, partnering with some of the world's most innovative manufacturers. With us, you'll find a supportive environment where your ideas and leadership can make a real impact.
