## Consultant

Consultant – Organisational Effectiveness Role: Permanent, Full-time Location: Munich, Germany (3 days in office) Language: Fluent German and English Salary: €77,000 – €84,000 + bonus  
Company My client is an award-winning management consultancy specialising in organisational effectiveness. This consultancy is a British business that is expanding its' presence in Europe with the Munich office recently opening and eagerly looking to grow. They work with private equity funds and portfolio company leaders to create value and help grow organisations to be profitable and prosperous. Their purpose is to work collaboratively with clients to strategically improve management processes, drive productivity and promote strong leadership.  
In this position, you will have the opportunity to work in a high-performance culture where personal and professional development is championed. You would work closely with key stakeholders and private equity funds to deliver results. Moreover, you will be positioned to contribute towards the success and growth of the company itself.  
Responsibilities: Work analytically on high-impact projects on an international scale Collaborate with clients and senior management to implement change Communicate analytical findings clearly and effectively Plan and lead project work-streams  
Desired Experience: 2-4 years' experience at an established management or strategy consultancy Business-proficient German and fluent English are essential Excellent analytical thinker with a logical approach Confident self-starter

Regretfully, due to a high volume of applicants, we are only able to reply to those who are successful.

### Equal Opportunities:

We are committed to promoting equality of opportunity for all employees and job applicants. In line with the Equality Act 2010, we strive to create and maintain a working environment in which everyone is able to make the best use of their skills, free from discrimination or harassment, and in which all decisions are based on merit. No person is subjected to any less favourable treatment on any discriminatory grounds on the basis of age, disability, gender reassignment, marital or civil partner status, pregnancy and maternity, race, colour, nationality, ethnic or national origin, religion or belief, sex or sexual orientation.
